TIP TUESDAY

Free Digital Summit - December 16-24

Enjoy one practical, inspiring video each day

~Videos will remain available until December 31~

If you work in education, it's in your nature to take care of others.

This holiday season, don't forget to treat yourself by becoming inspired and re-charged! Register for "Ditch that Textbook Digital Summit" to obtain access to some of the brightest minds in education: two Global Teacher Prize finalists, a *New York Times* best-seller, and state and national teachers of the year.

Each day's video (see the list) includes a download of key points and a certificate.

Things too crazy before Christmas? No worries! The videos (and notes) will be available until December 31!

Interested? Visit [Free Digital Summit](http://www.ditchsummit.com) for more information and to register. Remember: it's FREE!

www.ditchsummit.com
